PARENT'S CODE OF CONDUCT

I understand and endorse the purpose of our program: to help boys become men of empathy and integrity who will lead, be responsible, and change the world for good. Nitro1Sports is dedicated to foster and support culture by specializing in building and developing youth athletes, both on and off the field.

I support the coaches by applauding behaviors in my child and teammates that demonstrate characteristics of integrity, empathy, sacrifice, and responsibility.

I acknowledge and appreciate every athlete's growth towards maturity and efforts toward establishing stronger relationships with teammates, coaches, and themselves. I affirm my child and teammates will operate in good character, healthy sportsmanship, and other-centered behaviors are displayed. I will not only affirm athletic performance or a victory.

I serve as a role model for our athletes by talking politely and acting courteously towards coaches, officials, other parents, visiting team parents, and spectators at practices, games, and meetings.

I model good sportsmanship through my actions. I Acknowledge and applaud the efforts of team members and opponents. I Accept defeat graciously by congratulating the members of the opposing team on a game/race well played. I Support the team regardless of how much or how little my child plays/races.

I encourage my child and teammates with positive statements, even when they make mistakes. At every practice they are growing physically and emotionally. At every practice they are learning moral and ethical lessons. At every practice they are developing character.

I will refrain from boasting about **only** my child's accomplishments.

When problems or questions arise, I will have my child present the problem to the head coach. This develops self-advocacy. After meeting with their coach, if the issue requires more clarity, I will contact a coach or team mom directly in a timely manner. I will refrain from speaking verbally about my issues/concerns with parents, spectators, non-organization members, etc. before I have reached out to solve my problem/concern the correct way.

I realize that no program is perfect and if any concerns arise, I will refrain from posting negative opinions about The Nitro1Sports Fighting Eagles program on any social media sites and will use my coach and the board to resolve any issues properly.

I understand that I am responsible for all family and friends that attend our events and will ensure that they conduct themselves in the same manner as described above.

Because I am a parent with the power, position, and platform to make a positive difference in the lives of all athletes, I commit to this code of conduct. When failing to live up to these standards, I will allow for accountability and take responsibility for my actions. The accountability/consequence may result in dismissal/removal from the Nitro1Sports organization.

SOCIAL MEDIA POLICY

Nitro1Sports Eagles recognizes the importance of social media in shaping the public's perception of Youth Sports. However, every online post is forever part of one's digital footprint. Recognizing that fact, it is expected that those both parents and players participating in the program take responsibility for their online profiles, posts, photos, videos, etc. and that everyone always represent the team and organization in a positive manner. Any unsportsmanlike, derogatory, threatening, retaliatory, stalking, harassing, bullying, criticizing, and/or knowingly false comments about teammates, coaches, parents, opponents, officials and/or staff will not be tolerated. Negative posts as described above that are brought to the attention of Nitro1Sports Board Members/CEO John Johns will be addressed as stipulated in code of conduct. Disciplinary action may include, but is not limited to verbal warnings, suspensions, and/or revocations of playing or coaching privileges.
