We believe in a holistic approach with care and treatment. Our care includes adjustments, x-rays and wellness. We accept select medical insurances. No Insurance? No problem. We can work with you! Our staff is ready to welcome you to our practice with listening ears and the confidence to provide the treatment you deserve.

Headaches? Neck pain?
Lower or upper back pain? An
accident? A fall?

Chiropractic treatment can help all of the above plus improve mental health, injury prevention, enhanced mobility and balance, greater immunity to disease, increased bodily awareness, and greater flexibility.

About us

Santee Chiropractic Clinic is a full-service clinic offering chiropractic treatment, massage therapy, spinal rehabilitation, deep tissue laser therapy, and various therapeutic modalities to decrease pain, spasms, and inflammation. Dr. Patrick W. Leonard practiced in Charleston from 1998 until he opened his Santee Clinic in 2017.
