

Hydraulic Services

909-357-4953

There is more to **Fluid Tech Hydraulic Services** than what you think. We are not just your **cylinder repair** shop and **hose shop**. We now have a full line of spill absorbents, kits, pillows, socks, and booms. We can customize any kit, refill customers' existing kits, and beat out the competitions' price with a great quality. We've added tons of stock to our inventory, so no more shipping cost and long lead times.

- 5, 20, 30, 55 & 95 Gallon Spill Kit D.O.T.
- General Purpose, Oil Only, & Chemical
- Fully customize your kit
- Refill items available
- Kit options may have pads, socks, booms, shovel, safety glasses, gloves, drum, floor sweep, disposable bag.

There are a lot more options for spill containment that are available, just a few sample pictures below showing several different applications.

- Rig Belly Pads
- Storm Drain Covers
- Floor Sweep
- Spill Platforms
