

Application for Membership Sandown Garden Club

The Purpose of the **Sandown Garden Club** is to share the knowledge of gardening with each other and the community, to participate in activities that increase the beauty of the town's public and historic grounds, to encourage the preservation of native plant species and encourage respect for the environment, and to demonstrate gardening techniques that conserve natural resources.

Visitors are welcome at all public presentations.

Membership

After attending a business meeting and completing a membership application you are cordially invited to become a member of the **Sandown Garden Club**. Membership includes monthly educational programs; workshops specializing in gardening, horticulture, and environmental conservation as well as volunteer opportunities within the community.

Members are encouraged to participate in as many garden club activities as possible. Dues are set yearly and include discounts to many local nurseries as well as membership in the New Hampshire Federation of Garden Clubs and the National Garden Club.

Please bring completed application to the next Sandown **Garden Club** meeting.
