HALF-BOTTLES

LOUIS ROEDERER, CHAMPAGNE BRUT CRISTAL, FRANCE 2012
\$400

This is the first Cristal produced exclusively from organically farmed fruit, and it marks the opening of a new chapter for Louis Roderer. The blend is 60% Pinot Noir and 40% Chardonnay, vinified without malolactic fermentation and disgorged with 7.5 grams per liter dosage. Chef de Caves Jean-Baptiste Lecaillon has once again excelled himself.

CHAPPELLET PRICHARD HILL CABERNET SAUVIGNON, NAPA VALLEY 2016
\$300

“The most incredible and evocative scents come spilling out of the glass, conjuring notions of freshly crushed black raspberries, wild blueberries, red and black currant compote and raspberry leaves with subtler hints of roses, violets, tilled soil, cigar box and fragrant earth. Medium to full-bodied and achingly graceful in the mouth, the perfumed black and red fruits seemingly dance on the palate with a very firm yet beautifully fine-grained texture and just the right amount of freshness, finishing with epic persistence.

CHATEAU MUSAR BEKAA VALLEY RED, LEBANON 1998
\$100

Musar is one of the world’s most cherished estates, and this is their Grand Vin, a singular wine that combines the breadth and spice of a mature Châteauneuf-du-Pape, the aromatic lift of a balsamic-like Brunello, and the savory muscle of an aged Barolo. It is the kind of bottle that demands a slow, measured experience, and in time reveals many expressions—and an air of antiquity, thanks to its Fertile Crescent origins.

CAYMUS SPECIAL SELECTION, NAPA VALLEY 1994
\$300

This hedonistic Cabernet Sauvignon’s saturated purple color is accompanied by an exuberant, sweet, enveloping fragrance of smoky new oak, and jammy blackberry and cassis fruit. In the mouth, this lavishly wooded, black fruit-filled Cabernet is extremely full-bodied, with superb levels of fruit, glycerin, and extract. Like many 1994 Cabernet Sauvignons, it possesses extraordinary equilibrium, with the sweet tannin giving the wine considerable accessibility. This will be a fun wine to drink young, but do not discount its aging ability as it should last for two decades.
