

Lovie's Pearls

Empowering Teen Moms

**Saturday, July 18th
At 11am**

Join us via Zoom as Chandel Strickland shares her story of being a teen mom. How she persevered and encouraged herself despite the challenges, adversities and naysayers.

Her teenage son (Elden) will give his perspective on what it was like being parented by a teen mom.

We will also feature Mia, a teen mom who graduated from high school in May 2020.
