

Lovie's Pearls

Empowering Teen Moms

Dear Generous Sponsor:

She kept her baby. Now, she needs your help.

Lovie's Pearls gives teen moms a chance to re-focus their lives, now as mothers, to create a positive future for themselves and their children: proving that with empowerment through education, edification and encouragement, their lives will be changed.

On behalf of **Lovie's Pearls**, I am writing today to appeal to your *philanthropic* nature. We are seeking sponsorship for our 2024 Golf Tournament & Social Mixer Fundraiser. You can support us through:

- Monetary donations (*our goal is to raise \$20,000*)
 - *Scholarship fund for our teen moms pursuing higher education*
 - *Workforce program to assist teen moms in obtaining vocational certifications*
 - *Provide more educational workshops to empower our teen moms*
 - *Provide daily essentials for teen moms and their babies*
 - *Future facility/emergency shelter*
- Sponsor course prizes (trophies and gifts)
- Merchandise for our gift bags (golfers and mixer attendees)

Lovie's Pearls is a non-profit organization created to empower teen moms with education, life coaching and permanent housing. Through various workshops, support groups and mentoring our teen moms receive education, skills and support in areas that can enrich them as they learn to balance life, school, work and motherhood. As well as setting and achieving personal goals, our workshops include: Money Matters, Mommy & Me, Self-Care, Financial Aid, SAT/ACT prep, CPR, Healthy Relationships and Career building.

So, what can **you** do? Sponsor our Golf Tournament Fundraiser in order to help uplift these new mothers and make sure they are "teed up" for the future! Please see the attached sponsorship package for more information.

Lovie's Pearls and the Board of Directors would like to thank you for considering this opportunity to partner with our mission. If you have any questions, please feel free to contact me via the email address and/or phone number provided below.

Best regards,

Elisha Weatheron
