

# **The Don McCleary Trade Scholarship**

## ***Offered thru Mars Planet Foundation***

Don McCleary was a resident of Mars, PA and Cocoa Beach, FL. Don did not come from any family money but did come from a family with a strong work ethic. Don knew college was not an option for him and sought out a career in the trades where he ended up owning 4 companies around heating and cooling. Those companies employed well over 100 people throughout Western PA. His former employees still keep in contact with the family, which shows the appreciation everyone had for Don.

Our family has given much thought as to how we can best honor Don's memory and determined a scholarship to help young people reach their full potential would be a fitting Legacy. We will be specifically looking for applicants pursuing a career in the trades field who meet the below requirements. The scholarship will not be based solely on academic merit. Consideration will be given to those students who exhibit outstanding personal qualities such as a solid work ethic, integrity, a positive attitude, and a strong desire to reach their goals. The amount of the scholarship is targeted at \$2,000 per awardee (depending upon funding each year).

### **Instructions**

- Please complete the attached application to apply for the Don McCleary Trade Scholarship. upload your completed documents to the Google form (link is found on the Mars Planet Foundation Website).

### **Requirements**

- Must be a graduating senior at Mars or Seneca Valley High Schools and a graduating senior at Butler County Area Vocational Technical School.
- Must be a hard worker with a respectable GPA (especially within VoTec)
