DIVISIONS & ELIGIBILITY DISCLAIMER

Elite Division (A): Meant for teams who play at an advanced level. Open to all participants. Current and former college/pro players who are under the age of 30 are only able to participate in this division.
Rec Division (B): Meant for teams who play at a competitive level. Open to all participants except former or current college/pro ball players who are under the age of 30.
Community Division (C): Meant for teams who play at an intermediate level. Open to all participants except former or current college/pro players who are under the age of 40.
Vet (30+) Division: Meant for the old heads who still want to compete. All participants on team must have been born before Dec 31, 1994. No former college/pro players under the age of 40 allowed.
Although teams may request to participate in a certain division, ultimate decision on placement will be at the discretion of the tourney committee. Placement will be based on number of teams entered, past tourney finishes, roster makeup.
