Field Trip General Information

All scheduled field trips will be placed on the Summer Calendar that will be available by the end of May. This calendar will include dates, times, costs, departure and arrival times as well as necessary items needed for the trip.

Field trips are optional for all children and **MUST** be paid before or on the date of the trip. If your child does not want to go or has not paid, they will remain here along with the other children with adequate supervision. Field trip costs will no longer be added to children's accounts as these must be paid for in advance. Summer calendars will include Field Trip Permission Forms and will need to be turned in prior to the trip.

All Kingdom Kids' rules apply on the vans and at the field trip location.

Our Disciplinary Actions will be:

Verbal Warning to Child

Written Warning to Parents

Meeting With Parents

We want every child to enjoy these trips and to make them as safe as possible so if the above steps have to be taken and there are still issues, that child will be banned from future trips.
