CAMELLIA TIMES

PRESIDENT'S MESSAGE

Happy New Year Everyone!

We hope you had a wonderful Christmas and New Year! I personally ate my way through the whole thing!! Wow, we had a wonderful Christmas Potluck on December 17th! We sure have some great cooks! Can't wait for next year. Nice job everyone!

Okay folks, now it's time to amp up for our camellia show. Please volunteer for as many things as you can for our show. Even better, take the time to come to some of the other shows. It's fun and everyone is so nice...camellia friends are the best! If you need a ride or need directions, the schedules will be coming out soon. The schedules show where the clubs shows are being held, times, what you can enter, everything you need to know. Clear up your Saturdays and show up! The seasoned showers will be glad to help you once they have put their own blooms out. There are always others there that can help you, too. Try something new for the New Year! Get more involved.

We want to see you all at our January 28th at 7 p.m. at the Elks. Don Bergamini will be presenting a slideshow on, What's up with Leaves?

Again, we hope your Christmas holidays were fantastic!
