

INFORMATION, SCHEDULE AND REGULATIONS FOR EXHIBITING

REGISTRATION

1. Doors will open Saturday, March 5, 2022 at 6:30 a.m. for registration and entry of blooms and flower arrangements, and will close at 10:30 a.m. The exhibit area will be cleared of all persons except officials connected with the show at this time. Judging will commence at 11:00 a.m.

2. Entry cards may be obtained in advance of the show from Don Lesmeister, 4512 Marble Way, Carmichael, CA 95608, Phone: (916) 742-3443, and they are also available at the show. Cards **must be filled out properly** with the correct identification of the bloom and placed with each entry. Attention must be given to placing the card in a manner so that the exhibitor's name is not visible. Cards must be typed or written in pencil. **Do not use ink**, as it will blur if water-spotted.

3. Pink ACS entry cards will be used for all seedling entries. Seedling entries, to be eligible for ACS Commended Seedling Certificates, shall indicate on the inside of the folded entry card the bloom name or code and certification that the entry has bloomed true for at least three consecutive years. **Sports or Mutants should be entered in the seedling class using pink sport card entry cards provided by the show committee.**

4. **FLOWER ARRANGEMENTS** ~ For information and space reservations, contact Arrangement Chairperson, Frankie Raymond, 916-995-2550.

CLASSIFICATION

5. "Camellia Nomenclature" 1981 and 2020 Editions will be the official guides for classification and description.

6. Each named cultivar of Camellia Japonica, Reticulata or Hybrid shall constitute a class in J-1, J-3, J-5, J-11, B-1, B-3, B-5, RH-1, RH-3, RH-5, H-1, H-3, H-5 and H-11; other classes are listed under classification of Horticultural exhibits.

7. No exhibitor shall place more than one entry in a class *except* in Sections OT, SAC, F, Y, JR., I, *seedlings and sports*, and specified multiple classes.

8. Blooms will be placed by the exhibitor and he or she is responsible for placing them on the proper table with the proper entry card. **Only one cup per bloom is permitted. No stacking of cups. Miniature and small cups not taller than 1-1/4", larger blooms not taller than 2-1/2" high. Material such as perlite, cotton, and collars are allowed so long as the material is not over the cup top and is not readily observable. Non complying entries will be set aside and not considered for trophy awards. The Show Committee reserves the right to move blooms for better placement and to exclude unfit entries.**

9. Junior Class: 16 years maximum age and 5 YEARS MINIMUM AGE; one bloom of each variety. **Junior's should fill their own entry cards out and place their blooms themselves.**

10. The Spray class will constitute the display of one Camellia spray or branch, with flowers and foliage; stems should not be less than 8" or more than 15" in length. Exhibitors may enter more than one spray but entries must be of different varieties.

11. Entries in the "Old Timers" class are limited to single blooms of C. Japonica introduced **prior to 1950**. Exhibitors will be limited to five (5) entries but of different varieties. If you are unsure of when your older camellia was introduced, please see the Information Table where a 2020 Nomenclature book will be available.

12. The Sacramento Camellia Society member's class is open to members who have **not** won "Best of Show" at any Show. Maximum of five (5) different entries.

***Sacramento members are the local members who reside within the Sacramento and surrounding counties only.*

13. Beginner's Class-Section I. Limited to exhibitors who have not received a trophy award in the regular class at any ACS sanctioned show. Previous winners in the Junior Class are allowed. Exhibitors will be limited to a total of five (5) entries. Any size or any class.

14. The Judges will consider three awards in all classes. If the entries do not justify an award, none will be made.

15. Decision of the judges shall be final.

16. The judging scale awards no points for foliage. One or two leaves, with color and vigor characteristic of the variety, must be shown with each bloom. The length of the stem should not be less than 3/4" nor more than 1-1/4" in length.

17. Sweepstakes trophies, for winner and runner-up will be awarded on a basis of the greatest number of first awards. In the case of ties, second awards will be counted in addition.

18. Bloom size will be determined by measurement.
Miniature blooms – Under 2-1/2"
Small blooms – 2-1/2" to 3-1/2"
Medium blooms – 3-1/2" to 4-1/2"
Large blooms – 4-1/2" to 5-1/2"
Very Large blooms – Over 5-1/2"

19. All **miniature** and **small** blooms of any **species** must be entered in the Boutonniere classes, B-1, B-3, B-5, BC5.
