In the Year of Our Lord Jesus Christ 2026

*As we begin 2026, please allow me to wish you and yours heartfelt blessings. May the New Year bring an abundance of good things into your life and allow you to give thanks for the blessings along your journey. I share with you the words of Ralph Marston, one of my favorite authors titled, *The Very Best Year Ever*. A small gift I know, but hopefully, one that will leave you with a message to share with others in the year ahead.*

To have the best year you've ever had, live each of its days
as the best person you've ever been. This year will be what
you make it, and you can make it great.

Many challenges will come your way, and unexpected
interruptions will push you off track. Yet you can make the
choice to persevere, to innovate, to thrive and to prosper
no matter what.

Life is not easy and life is not fair. Nonetheless, you can
live each day with grace, integrity, purpose, love,
compassion and richness.

The decisions you make in each small moment will determine
how this year unfolds for you. Decide right now to make the
most of that amazing opportunity.

All sorts of outside factors will have an impact on your
life this year. Yet the overall quality of your life will be
determined by the way you choose to be.

Choose to be your authentic best, in each moment and in
every situation. And create the very best year ever.
