What is Cashiers Cares?

Cashiers Cares is a community-based organization raising funds and awareness for select charitable organizations both large and small serving the residents of the Cashiers and southern Jackson County area. Since its inception in 2008, Cashiers Cares has raised over \$700,000 benefiting the residents of our community.

Cashiers Cares, Inc. is a non-profit 501(c)(3) organization and has three purposes:

1. We are an advocate for the underserved and most vulnerable in our community
2. We raise funds for our 10 local charitable organizations
3. We facilitate communication and cooperation between the organizations in ways that multiply the value of the services they individually provide to their constituents' charitable organizations.
