

## Strike Tier - Elevated Protection

Who It's For:

Creators who are growing their online presence and need broader protection, including their premium content platforms.

Included Monitoring:

- Three Accounts Total:
  - One Email Account
  - Two Social Media Accounts of the client's choice (e.g., Instagram, Facebook, OnlyFans, YouTube, TikTok, etc.)

Deliverables:

- Twice-monthly security scans
- Immediate alerts for unauthorized activity
- Guided DMCA support for content takedowns

Goal:

Provide enhanced monitoring across three critical accounts to proactively defend against breaches, impersonation, and content theft.
