### "2019 team game" details:

The month of May will be used to establish handicaps for all of the participants registered in our 2019 Men's League. After completion of play on Thursday, May 30<sup>th</sup> we will be doing a **Live Draw** to determine our Men's League teams that will compete in the team game for June, July, and August. Here is how it will all work:

Based on 84 players registered: players will be flighted into six groups based on handicap. One player will be randomly selected from each flight and we will end up with 14 teams with 6 players per team.

Weekly team results will be determined from the three best net scores each week. Example Below!
