Dear Reynoldsburg City Schools Educators,

After considerable work on behalf of our Board of Directors and our Grants and Scholarship Committee, the Reynoldsburg Education Foundation (REF) announces our very first mini-grant opportunity.

The REF is excited to provide this opportunity for Reynoldsburg City School teachers to apply for a \$250 mini-grant for the 2021-2022 academic year. Qualified applicants are individuals that have an assigned student roster and provide instruction on a daily basis (regular education teachers, special education teachers, tutors, unified arts teachers). One grant will be awarded to each school during the 2021-2022 academic school year. All grant recipients will be invited to attend the Reynoldsburg Education Foundation Gala being hosted on September 30, 2021.
