

WETHERSFIELD CLUB & SHOP

An update on what's been happening with your local amenities.

The Shop started out as a small delivery service last year at the beginning of Covid and has now grown into a fully operational permanent shop for the village. The club committee decided to run with this after the temporary closure of the bar and wanted to offer a service to the village during what have been very tough times. Without the support and loyalty of the villagers this would not have been possible, so we would just like to say a massive thank you to everyone who uses us and has donated to the improvements of the shop. Have a look at how the work started (left) and the finished project (right) photos below!

Club news...

Club Membership 2021

We welcome everybody in the Club, so if you have new friends or neighbours, please bring them along. Membership is not required to use the Club; however members receive a significant discount on all purchases from the bar. For details on how to join and prices please head to our website and click on the 'Join the club' button, alternatively you can visit the shop or club during opening hours.

The Committee have set Friday 23rd July as the date for the AGM. The reason for this is because restrictions have not yet been lifted sufficiently to allow the meeting to be open to all members who would wish to attend. We hope to have the meeting in the club, but the hall has also been reserved.

What's coming up this year

We are already planning some great entertainment nights for later in the year, when hopefully by then things will be a little bit different. Our annual 3-day beer fest is set to return in October and a plethora of Live music is provisionally booked from late summer onwards. There will also be some great club nights including Quizzes and Bingo, plus we're hoping to end the year on a high as our spectacular NYE party will be back with lots planned to round out 2021!
