Hello All, Another month, another newsletter. Thank you for your interest in Estudiantes London. Quite a lot of news has happened in the last month so here is an update! I would like to dedicate this newsletter to Nicolás Cocchiararo, he has been working to increase our following in Argentina and around the world through social media. Thanks Nico!!!

Filial Londres

(Supporters club of Estudiantes de La Plata)

- We are up to 6 supporters of Estudiantes in London. Welcome Giannina and Sofia. Thank you for making contact with us, and your positive words about our project.
- Nico has been doing incredible work on Instagram to promote our program, including talking to Juan Sebastian Veron, and local radio stations in Argentina. From 144 followers last month, up to 299 today. He and his girlfriend have even made our Filial Flag.
- With no date for a restart of football in Argentina due to Covid. We will move ahead with planning an event for 16th October. We will try to host in central London. It would be great to meet you there.

Estudiantes FC London - News

- Some really positive news is that we have been able to secure an opportunity for one of our main students to attend Loughborough University Futsal Program. Tenzin Dhongak has been a part of the club from the start, and will join Fabio Teixeira in studying the best Sports University in the world.
- We were absolutely delighted to welcome a guest from Fifa who spent time talking with our students. Maz Karim, who also works for the FA, and has himself studied at Loughborough, spent time talking about his journey in football. Maz is a truly wonderful role model for young people, his work ethic is second to none. A huge Thank you Maz for taking your time to visit us.
- We are looking to find a sponsor for the club to help us cover pitch fees, and referees for the season! Don't be shy in asking any companies who may be interested.
- The futsal and football team are in training and showing an excellent attitude, including a great improvement in punctuality for our 8am sessions.
- We will be running a table tennis team to compete in the Central London League. A huge thank you to Alex for his help in assisting
- Our students Owen, Levin, and Aquim have volunteered at Haringey Food Bank where we donated food to celebrated the 115th Anniversary of Estudiantes de La Plata. Meanwhile in Camden, Nico and his girlfriend donated food to the Opendoor homeless family project

Estudiantes FC - Football

- We are in the process of assessing whether we will enter the Middlesex Country League.
- We have secured a home pitch for the season, and will play on a great 3G pitch at Conel college in Enfield.
- We played a training match against Apollo FC to prepare for our pre season friendlies. Despite a defeat, there were some encouraging signs. But naturally lots of work to do. Thanks to Nathaniel, Maria, Marcus, Donna and Alex for attending.
- In our first game of the season, we beat London Tibet 6-1. Following this we lost 5-1 against a very strong Alexandra Park FC, In both games the students showed great character, and good quality.

Estudiantes FC - Funding

- To run the club successfully for one year, running all of the education and football programs, we need about £2000.
- Vishnu has been using his expertise to help with some funding applications, mainly looking at the response from Covid-19 fund from the National Lottery. Thanks Vishnu.
- Our crowdfunding site is up and running at
- <https://www.crowdfunder.co.uk/estudiantes-london>
- If you know anyone who would like to get involved with the club as a supporter, mentor, teacher, coach, player, physio or any other role please email us.

Estudiantes FC - Futsal

- We are delighted that Guisepy Vizcarra has agreed to coach the team next year. He met the squad via a zoom meeting
- We hope to enter the team into the National Futsal League this year, and are working with the league to find a way for our students to continue playing at this high level. Playing at this level has provided Tenzin and Fabio with their opportunity to study at Loughborough and so we are very keen to continue to develop opportunities such as these for our students.
- We welcome Dimar Lahoz Dimar from Helvecia to our training session. One of the best goalkeepers in England, who has one won league and two FA Cups, Dimar's expertise has given the futsal group added enthusiasm to develop.
- We are in discussion with the Selby Centre to host our North London Youth Futsal League for Under 13 players. We are couple of teams who may be interested in taking part.

CLUB

Hola a todos. Gracias por su interés en Estudiantes London.

Gracias a Virginia por traducir este boletín al español. Me gustaría dedicar este boletín a Nicolás Cocchiararo, él ha estado trabajando para aumentar nuestros seguidores en Argentina y alrededor del mundo a través de las redes sociales. Gracias Nico !!! ■■■■

Filial de Londres

(Los hinchas de Estudiantes de La Plata)

· En este momento somos 6 hinchas de Estudiantes en Londres. Bienvenidas Gianina y Sofia. Gracias por comunicarse con nosotros y por sus mensajes positivos sobre nuestro proyecto.

· Nico hizo un trabajo increíble en Instagram para promocionar nuestro proyecto, incluso habló con Juan Sebastián Verón y radios locales de Argentina. Pasamos de tener 144 seguidores el mes pasado a 299 hoy en día. Él y su novia hicieron la bandera de la filial.

· El fútbol argentino todavía no tiene fecha de regreso debido al COVID. Avanzaremos con los planes para el evento del 16 de octubre. Intentaremos hacerlo en el centro de Londres. Sería increíble encontrarnos ahí

Estudiantes FC London – Noticias

· Una de las noticias realmente positivas es que pudimos lograr que uno de nuestros alumnos ingrese al programa de fútbol de la Universidad de Loughborough. Tenzin Dhongak ha formado parte del club desde el principio y junto con Fabio estudiarán en la mejor universidad de deportes del mundo.

· Tuvimos el placer de darle la bienvenida a un visitante de la FIFA que habló con nuestros alumnos: Maz Karim, el cual trabaja para la FA y ha estudiado en Loughborough, nos contó sobre su trayecto en el fútbol. Maz es verdaderamente un gran modelo a seguir para los jóvenes y su ética laboral es la mejor. Le queremos agradecer enormemente a Maz por haberse tomando el tiempo para visitarnos.

· ¡Estamos en busca de un patrocinador para que ayude al club a cubrir los gastos de las canchas y los árbitros para esta temporada! No sientas vergüenza de preguntarle a cualquier empresa que pueda estar interesada.

· El equipo de fútbol y fútbol están entrenando y mostrando una actitud impecable. Han mejorado sobretodo en la puntualidad para venir a entrenar a las 8 am.

· Crearemos un equipo de tenis de mesa para competir en el Central London League. Le queremos agradecer enormemente a Alex por colaborar.

· Nuestros alumnos Owen, Levin y Aquim hicieron un voluntariado en Haringay Food Bank. Ahí, donamos comida para celebrar el 115 aniversario de Estudiantes de La Plata. En Candem, Nico y su novia donaron comida a Opendoor Homeless Family Project.

Estudiantes FC – Fútbol

· Aplicamos para Middlesex County League.

· Conseguimos una cancha de pasto sintético para jugar de local en la temporada en el Conel College ubicado en Enfield.

· Jugamos contra Apollo FC a modo de prepararnos para los amistosos de la pretemporada. A pesar de la derrota, nos quedaron sensaciones positivas. Pero tenemos mucho para trabajar. Gracias Nathaniel, Maria, Marcus, Donna y Alex por asistir.

· Tendremos 4 mas encuentros de pretemporada en agosto. Estas son las fechas:

15 de agosto Alexandra Palace : 2pm Conel College, 73 Hertford Rd, Enfield EN3 5HA

21 de agosto Cricklewood Wanderers: Wembley FC, Vale Farm, Watford Road, Wembley HA0 3HG

26 de agosto Benfica London: Cranford Community College, High Street, Hounslow, TW59PD

29 de agosto North West London: 2pm Conel College, 73 Hertford Rd, Enfield EN3 5H

Estudiantes FC – Futsal

· Estamos contentos de que Guisepe Vizcarra vaya a ser el entrenador del equipo el año que viene. Conoció al equipo por medio de una reunión de Zoom

· Alex Cabral se unirá al proyecto como asesor. Alex es fundador y vicepresidente de A.C Ciencias, un fantástico club de fútbol en Lisboa, Portugal. Además de tener un equipo profesional, también tienen equipos juveniles de todas las edades (a partir de los 8 años). A.C. Ciencias produced Benfica's André Correia. Bienvenida Alex.

· Este año, esperamos entrar a la National Futsal League y estamos trabajando con la liga para hacer que nuestros alumnos continúen jugando a este nivel de exigencia. Jugar a este nivel le ha dado la oportunidad a Tenzin y Fabio de estudiar en Loughborough. Por eso tenemos muchas ganas de seguir desarrollando oportunidades como estas para nuestros alumnos.

· Le damos la bienvenida a nuestros entrenamientos a Dimar Lahoz de Helvecia. Es uno de los mejores arqueros de Inglaterra. Ha ganado una liga y dos copas FA. La experiencia de Dimar le ha brindado entusiasmo al equipo de fútbol.

· Estamos debatiendo con el Selby Centre la posibilidad de acoger nuestra North London Youth Futsal League para jugadores menores de 13 años. Somos varios equipos interesados en formar parte.
