

ESTUDIANTES LONDON

NEWSLETTER # 4

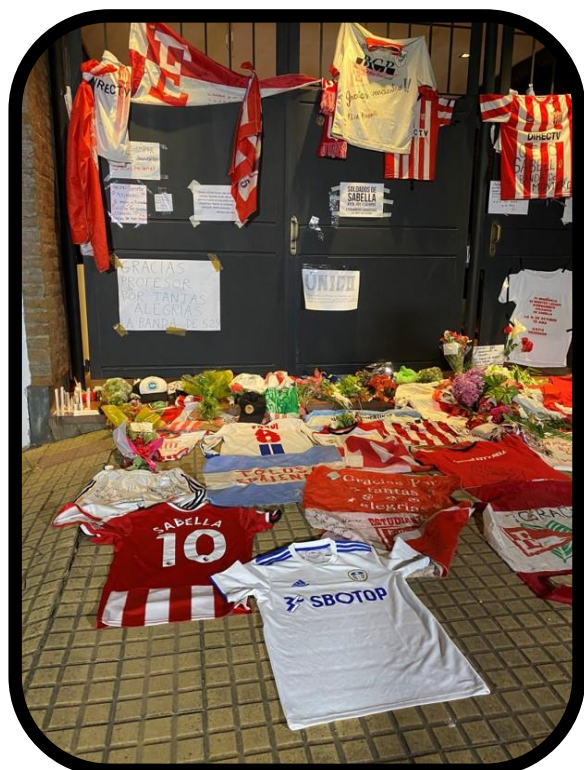

CHARTER
STANDARD
CLUB

Hello All, It has obviously been a tough period for everyone, let's hope for an easier 2021. Here is a quick update to let you know what we have been up to. Continued thanks to everyone who has been helping to support our students. We hope you enjoy the newsletter. We would like to dedicate this newsletter to Alejandro Sabella, the former Estudiantes and Argentina manager who died this month. Rest in Peace Alejandro

Filial Londres

(Supporters club of Estudiantes de La Plata, Argentina)

- Some extremely sad news this month was that Alejandro Sabella passed away aged 66. A hero for everyone at Estudiantes, he played 149 times for the club and then managed the team to their most recent South American Libertadores Championship. He made an immense contribution to the club, and was known to be a person that stood up for equality. He managed Argentina at the 2014 World Cup, with the team reaching the final.
REST IN PEACE ALEJANDRO
- Estudiantes de La Plata are back in action in Argentina, playing behind closed doors due to Covid-19. It hasn't been a particularly good spell, but hopefully results will improve in 2021.
- Our community manager Nico is in Argentina at the moment, and was able to lay his Sabella shirt at the memorial.
- Nico continues his great work on Social Media to promote the club. We are up to 647 followers on Instagram and 679 on twitter.. Please follow us!

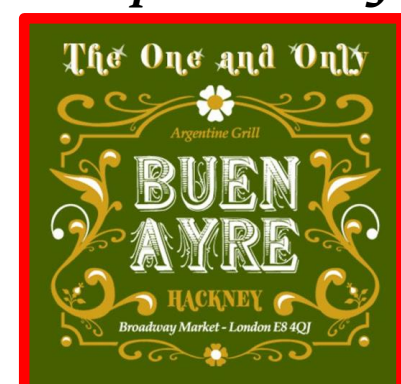

Estudiantes FC London - News

- The students are showing a great attitude in their studies. We have welcomed another 6 students to the program, including Djibril Diallo who has made a great impression, winning student of the month.
- Over 45 students have taken part in training, with more matches in both football and futsal being played.
- We are thankful to have secured funding for our program, and this will allow us to run more coaching in football, futsal, badminton, volleyball and table tennis. Thank you to all those who have supported our project.
- Isam Belmoudden (right), Dani Gebrehiwet and Levin Dookhun picked up awards for their efforts in education. Well done to each of them. The whole squads attendance and attitude to education is outstanding, and sets a great example for the new students who join us.
- All being well, we hope to hold our annual awards at Buen Ayre in February 2021. Buen Ayre is a wonderful Argentina restaurant in Hackney. Continued thanks to them for their support.

Our football team is sponsored by

Estudiantes - Football

- We are delighted to have received our VEO camera with which we will be able to analyse all of our games. It will help us to improve the team and we hope that we will be able to use the camera to help some of our students to secure scholarships.
- The team have played in a number of friendlies, against some very strong teams, including Clapton Community who had over 100 fans. Despite defeats, the team have performed very well, showing an outstanding attitude and we are confident these games will help the team play at a good level in 2021.
- One of the most outstanding performances of the month, came from Mohsin Mohamad who scored a hat trick against AFC Hayes, a well established men's club. For Mohsin to achieved this at just 17 years old is a great achievement.
- A day before London moved into a Tier 4 'lockdown' we were able to play at Haringey Borough FC against a strong NW London team. The team played extremely well, and were unlucky to fall to a 3-2 defeat. Having the opportunity to play on a great pitch with a stadium was a great way to end the year for the students. Thank you to NW London for organising the game.

Estudiantes - Futsal

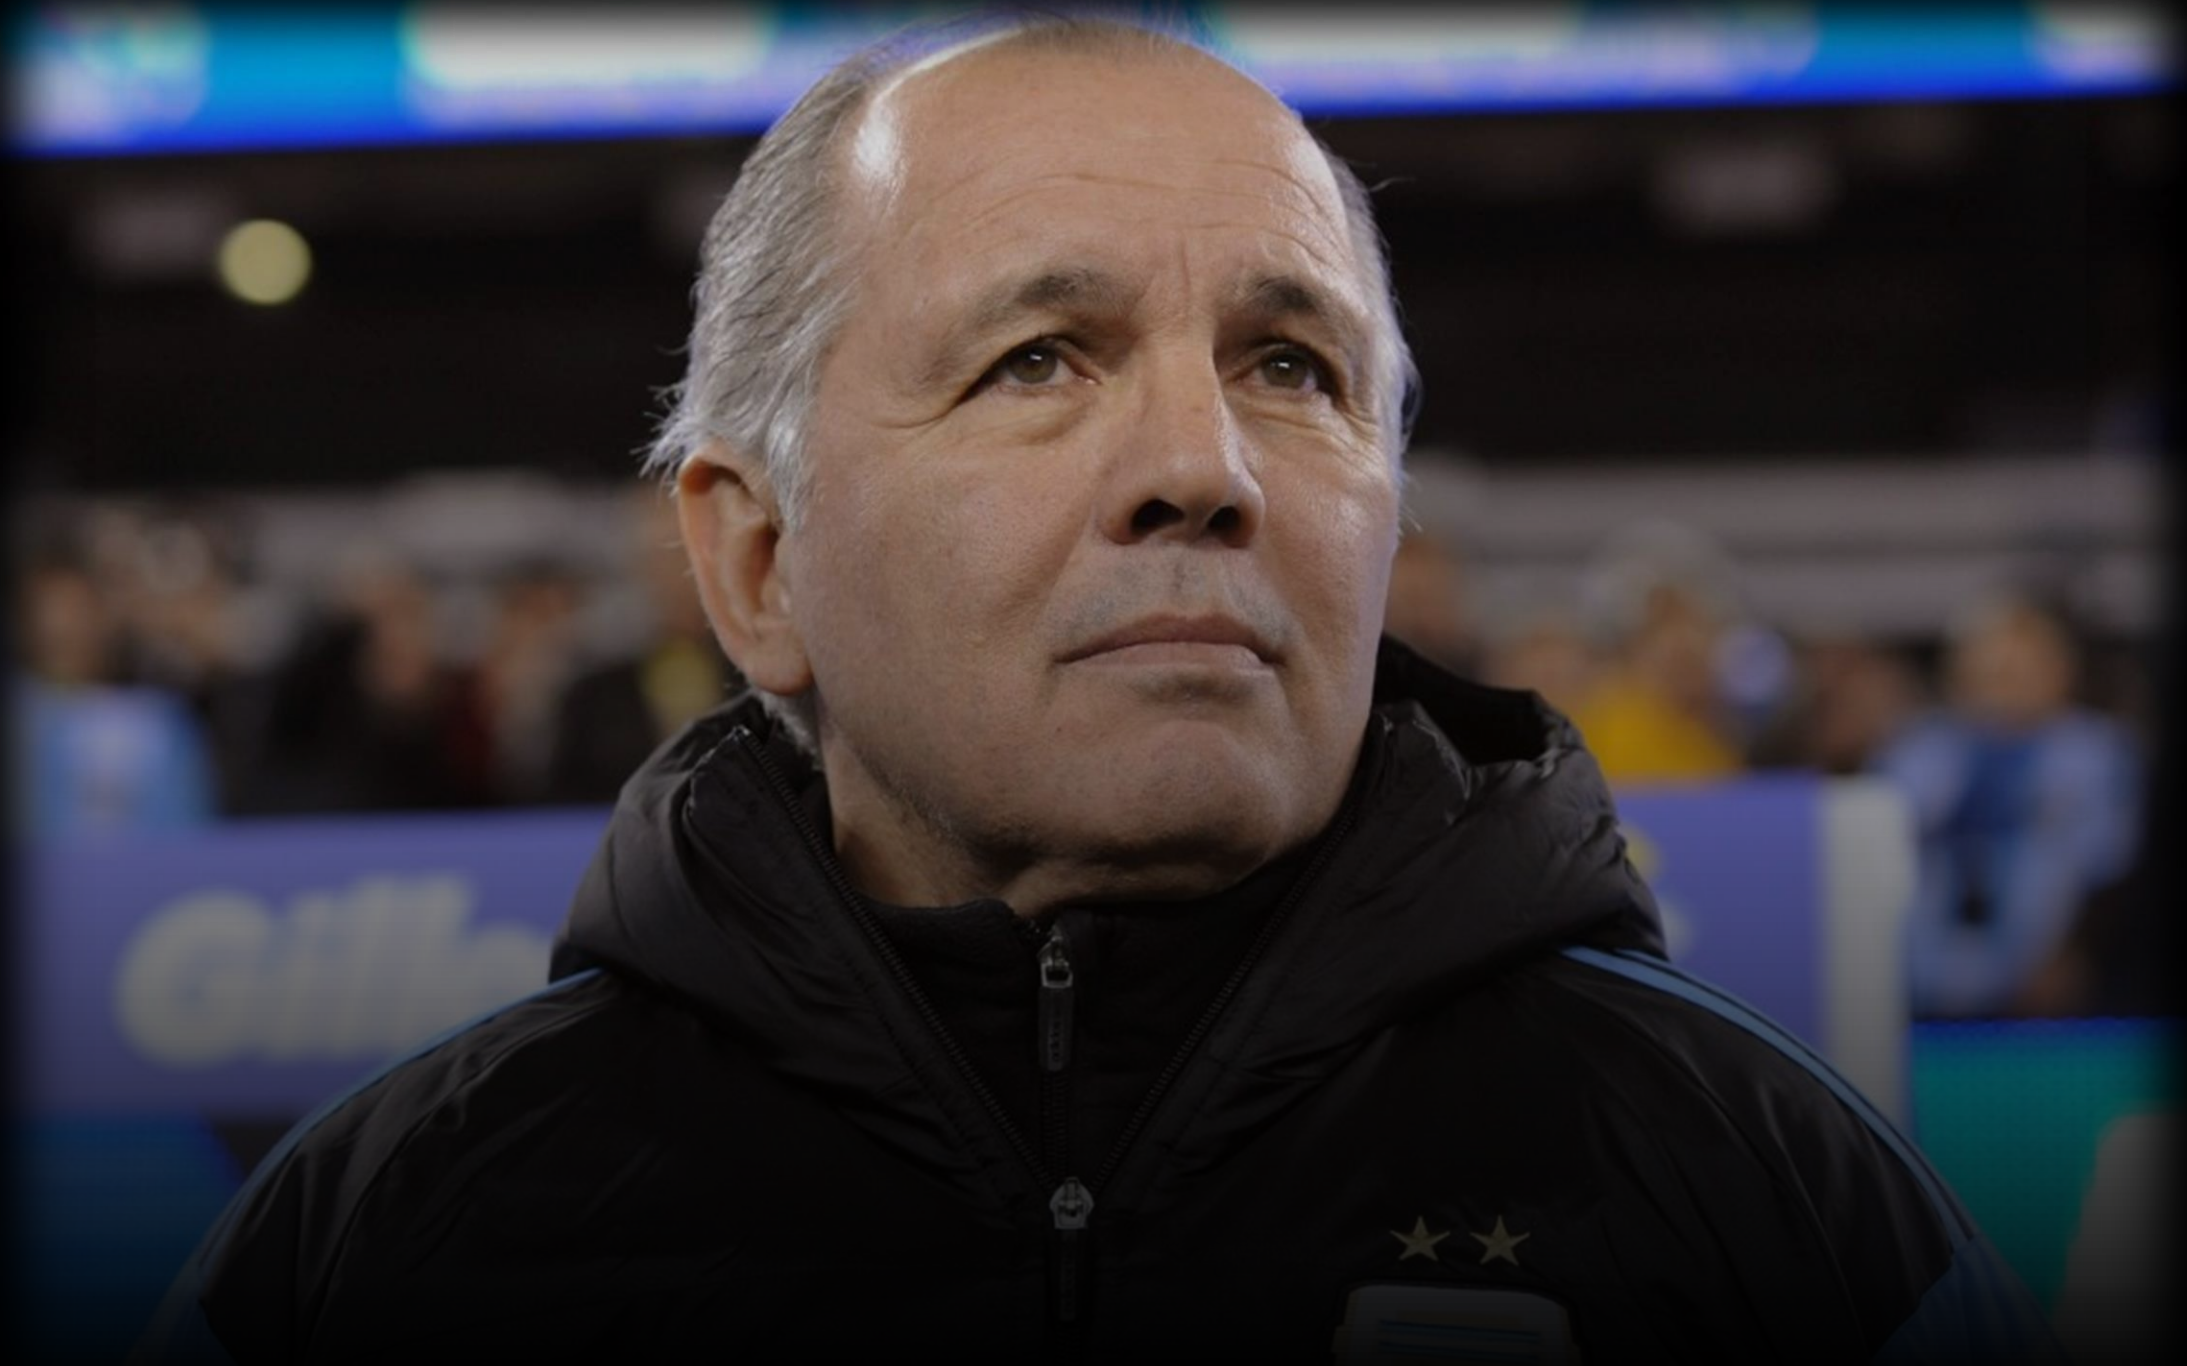

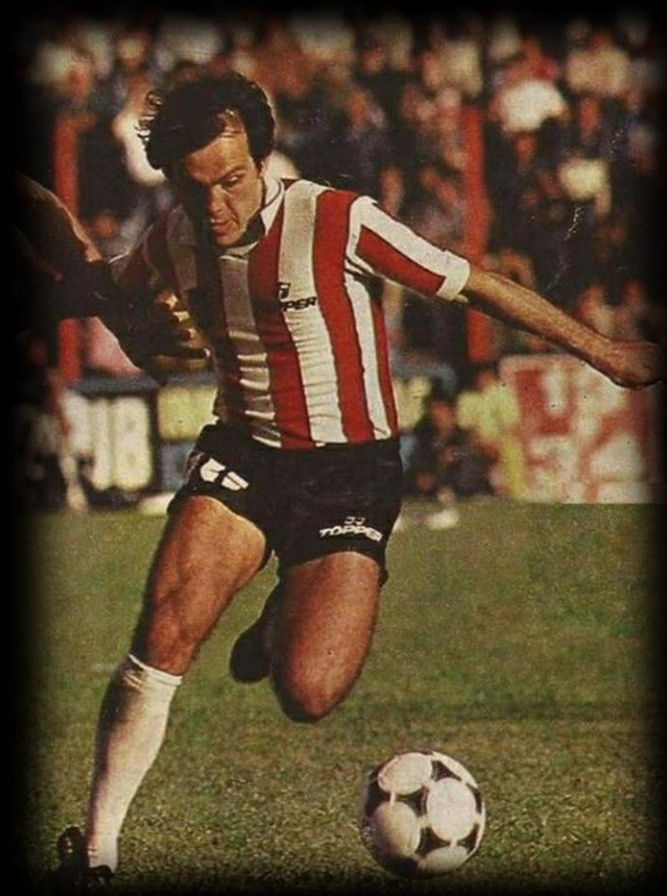

- We have received very positive feedback from Loughborough futsal about the performance and attitude of our graduates Fabio and Tenzin. This is great news, as we hope this will create more opportunities for more of our students to join the wonderful International Futsal Academy based at Loughborough University. We hope to have some more news on this soon.
- The team haven't been able to train indoors due to Covid-19, but despite this the team played brilliantly in their only game of the month. Playing against Genesis, one of the top teams in London, the team started slowly but finished the game strongly. The final score was a 11-15 defeat against a top team, that featured two players who had competed in the UEFA Champions league two weeks previously. Thank you to Genesis for a wonderful game.
- We will be restarting our futsal program as soon a Covid-19 regulations allow.

Our aim is to improve educational outcomes of our participants

Alejandro Sabella
