# **IMPORTANT ANNOUNCEMENT**

## **Apex Diesel – Closing August 29, 2025**

We want to take a moment to personally thank you for your trust, your loyalty, and your business. After careful consideration, Apex Diesel will be winding down operations and officially closing our doors on Friday, August 29.

Between now and then, we are focusing all our efforts on completing existing work and supporting our current customers through the transition. **We are no longer accepting new jobs** as we prepare for closure.

This was not an easy decision. We are proud of the work we've done, the relationships we've built, and the service we've provided to our community. We are committed to closing with the same level of care and professionalism you've come to expect from us.

If you have questions or need assistance, our team is here to help.

Thank you again for being part of our story.
