

### Mission

To reduce gun violence on the Westside of Jacksonville within our catchment area using disease control and behavioral change methods.

### CORE VALUES

**S.A.F.E. :**  
Safe Communities  
Accountability  
Family and Fun  
Empowering Every Person

### VISION

Westside MVP Team Aims 4 Peace in our communities, by eliminating gun violence.

### MVP Highlights

- Engaged more than 300 people in the community.
- Partnered with three Community Organizations.
- First Annual Cure Violence Jacksonville BBQ Cook-Off.
- 1,650 pieces of Public Education handed out.
- 10 Mentees celebrated as Rising STARS.

### Community Partner Highlight: *INSPIRE TO RISE*

Their focus is to address individual and family's protective factors and rebuild and sustain an improved quality of life in the community.

### EXECUTIVE DIRECTOR'S CORNER

As we quote the great Martin Luther, "Nothing good ever comes from violence ". So, let us pursue that which is good. Let's seek to do good. Let's work to be good. Let's long to see good. Let's celebrate when we witness good. Let's live to leave good."

*Dr. Mark C. McGuire, Sr.*
