A woman with long brown hair and glowing blue eyes stands in a snowy, steampunk-themed street. She wears a black top hat with a gold ring, a black lace high-collared dress with gold trim, and a gold belt. The background is a blurred snowy street with warm lights. The entire image is framed by a decorative white border with floral and musical motifs.

Merry *Christmas*

MAY YOUR HOLIDAYS BE FILLED
WITH WONDER, WARMTH,
AND A TOUCH OF
STEAMPOWERED MAGIC.
