

HOW TO: CAUCUS AND ASSEMBLY

Step 1: Attend Your County Caucus

At caucus, you will meet your fellow Democratic neighbors and elect delegates who will nominate candidates up and down the ballot from county commissioners to Governor and U.S. Senate. Some caucuses are held online and some in person.

Step 2: Choose Your Path

Become a Delegate

Delegates are selected at caucus and get to participate in the county Assembly and nominate candidates onto the primary ballot. **Learn more about being a Delegate at [ColoradoDems.org/caucus/delegate](https://coloradodems.org/caucus/delegate).**

Become an Election Judge

Election judges help ensure fair and safe elections, let your county chair know you are interested. This is a paid position with your county clerk.

Become a Precinct Organizer

Precinct organizers are neighborhood party ambassadors. They get elected at caucus for 2 years. As a Precinct Organizer, you get to shape your county party and vote on every decision made at the county level.

This is how you shape the Democratic Party's future!
