

South Norfolk Netball League – Report for Norfolk AGM 2023

Not a great deal to report as unfortunately, we have not yet finished our Winter League, due to all of the cancelled games this year.... Therefore, at this stage I am unable to report the final league table.

We have 6 teams currently in this league each playing each other 3 times, which has meant a good mix of games.

Hopefully as Covid disappears it may encourage more to come back / join.

It is hard being a very small league we struggle with attracting new teams due to having very few umpires.

Although we have very good courts at Rickingham village Hall, we are mid-way between Norwich league and West Suffolk league, which also may be a hinder to our ability to gain new teams.

Again, this summer instead of organising a summer league 2022 I will be organising 'Netball Now' sessions through June and July.
