NCNA AGM FRIDAY 27 JUNE 2025

AGENDA POINT 9: CONSTITUTION

Reason for the changes

1. General tidy up changing numbers to words.
2. Point 6; add “for the entire duration of their term in office”. The NCNA AGM is prior to the EN renewal date. Need to ensure all officers remain affiliated.
3. Point 9; item added to the agenda in 2023 was added as the bullet point. It needs its own heading so created point 10.
4. Point 9; Rules of the Association to be removed. There are no rules.
5. Point 12; NCNA is not big enough to warrant a formal audit but it does have the accounts independently examined each year, so clarifying this point.

Risks and/or Implications

There are no risks or financial implications with these changes.

Recommendation

It is the recommendation to accept the changes.
