RE: Utility Construction Permit Applications

We have received four (4) Utility Construction Permit Applications for consideration at the July 18, 2019 Board meeting.

- (1) Request from FP&L to direct bore 3 – 2” HDPE conduits under 49th Street and adjacent Sub-latera A-8-E Canal, located 1,135’ East of 58th Avenue in Tract 12, Section 21-32-39.

RECOMMENDATION: We recommend approval of the permit application subject to all standard provisos and applicable special conditions.

- (2) Request from FiberNet Direct to install aerial crossing of Lateral “J” Canal within North right-of-way of Oslo Road, located in SW ¼ of SE ¼ of Section 24-33-39.

RECOMMENDATION: We recommend approval of this permit application subject to all standard provisos and applicable special conditions.

- (3) Request from FiberNet Direct (Re: Site #146063 – Rebel Road SEG03) this segment runs North along West side of 43rd Avenue from 13th Street, SW crossing under Sub-lateral B-7-E at Oslo Road, then West along North right-of-way of Oslo Road crossing under Lateral “B” Canal at 58th Avenue, thence North along West right-of-way of 58th Avenue crossing over Sub-lateral B-6-W at 5th Street, SW (Rebel Road).

RECOMMENDATION: We have requested additional information for this permit application and recommend approval of this permit application pending receipt of requested revisions and additional information, subject to final approval by David Gunter and Carter Associates, Inc.

- (4) Request from FiberNet Direct (Re: Site #218, Vero Church SEG01) this segment runs North from 5th Street, SW along West right-of-way of 58th Avenue crossing five (5) existing Sub-lateral Canals (B-5-W, B-4-W, B-3-W, B-2-W, B-1-W) and the Main Canal.

RECOMMENDATION: We have requested additional information for this permit application. Pending receipt of requested revisions and additional information, we recommend approval of this permit subject to final approval by David Gunter and Carter Associates, Inc.
