January 1, 2026

**Dear LE Nation, Family and Friends,**

Season's Greetings! Prayerfully you had a Merry Christmas! And we wish you a Happy and Prosperous New Year!

**THANK YOU** for your ***OWTstanding*** (if that doesn't resonate, forgive me) support last year! Here's a few of **OUR** accomplishments: co-funded a 2024 project to ***renovate/upgrade TU's Baldwin Monument (RQCK)***; donated **\$4.2K to Tuskegee's Booker T. Washington High School** to purchase textbooks for dual track students; secured an ***Endowment online giving site*** (<https://fundraise.givesmart.com/vf/TUALEF>); hosted ***Alumni Activities during TU's 101<sup>st</sup> Homecoming***; provided **\$7K in scholarships via the Endowment**. We also coordinated with a philanthropist who paid \$28K in tuition expenses for **ALL Lambda Epsilon Chapter members in the 2025 Spring and Fall semesters**—What A Blessing!

***Our fundraising efforts continue to improve***...and yet there's **STILL** (and always will be) room for growth! ***Together we donated over \$46K to ALEF*** (minus Homecoming) last year! Plus our ***Endowment's current balance is \$225,499***—adjustments pending.

As you finalize plans for this year, please include ***ALEF Project 2026*** in your Charitable Giving portfolio. We need *Alumni, Family, Friends—and employers or small businesses who provide matching contributions*—to help us meet our goal! ***The target investment amount is \$1,600***. That includes a ***\$600 Annual Operating Fund*** donation and a ***\$1,000 donation to the Endowment***. The donation can be made in installments of ***\$133.33 monthly, \$399.99 Quarterly or lump sum*** donations. ***We need at least 275 donors*** to stay on track--***will you make the commitment? No donation is too small—share OR codes, text-to-give & the websites!***

Our donations will fund the following activities:

- Annual donation towards an ***infrastructure project at TU*** (Goal: \$10K)
- Annual donation to a ***project in Tuskegee or Macon County*** (Goal: \$10K)
- Host ***Alumni Activities at the Grand Conclave*** (Goal: \$10K)
- Host ***Alumni Activities for TU's 102<sup>nd</sup> Homecoming***
- Host ***ALEF's 20<sup>th</sup> Anniversary Celebration*** (Goal: \$10K)
- ***Increase the ALEF Endowment by \$375K to stay on track for \$1M by Homecoming 2027***

In an effort to initiate some friendly competition, ***we'll be tracking donations made from 1 November 2025 to 31 October 2026***. We will highlight and ***recognize the Alumni, Friends, Pledge Lines and Decades with the highest levels of participation and largest individual/collective donations***. There will be ***some caveats made*** due to pledge line membership, members no longer with us, etc. ***Top donors will be recognized at Homecoming 2026*** (details to follow).

LE Nation, ***it's time to join this movement***—not just financially...***we need your ideas, your presence and your God-given talents/expertise/gifts!*** ***Lambda Epsilon Chapter, Mother Tuskegee and the Tuskegee Community are indeed worthy causes!*** We must join forces to continue strengthening them and ensure their capability to serve for decades to come! Long Live LE!

Sincerely,

  
Bro. Zeb Miles, Sr.
