Veterans can also request their military records electronically also!

Military veterans and the then next of kin of the deceased former military members may now use this on line military members personnel records system to request documents. Other individuals must use the standard for 180, which can be downloaded for the website.

For more information about requesting military or VA records, contact VA at 1-800-827-1000, or you can call and request you inquiries at (1-314-801-0800)
