

President's Message

Dear SAINA team and community,

I hope this message finds you well. I am honored to have been elected as the new President of the San Antonio Indian Nurses Association (SAINA). I am truly excited to embark on this journey alongside such a dedicated and passionate group of professionals.

As nurses, we play a vital role in the health and well-being of our community. Our unwavering commitment as servant leaders to providing compassionate and high-quality care is at the heart of everything we do. Together, we serve the community and have the power to make significant impact and drive positive changes within our field.

Throughout my career, I have witnessed the incredible resilience, empathy, and expertise that each of you brings to our profession. As President, my vision is to support and advocate for our association's members, foster a collaborative and inclusive environment, and work towards our shared dream of advancing nursing excellence.

In the coming months, I look forward to engaging with each of you, listening to your ideas and concerns, and working together to develop initiatives that will further our mission. I am confident that, with your support and dedication, we can achieve great things and continue to elevate the standards of nursing in our community.

Thank you for your trust and confidence in my leadership. Let's make this a remarkable year for our association and the community we serve.

Warmest regards,

Preeti Khanna - DNP, MSN, APRN, PMHNP-BC

President, SAINA
