

Telling My Life Story

2 Easy Steps to get started

GARDEN CITY NEW YORK MEDIA

bringing the community to you

So, you've decided to tell your story,
but don't know where to start?

Two (2) Easy Steps:

Step 1: Look through your photo album. Photo albums are a great source of inspiration.

Step 2: Create a list of questions. Getting together with your family and think about the best set of questions you can derive to make the best story occur.

...Next page find some starter questions

Sample Starter Questions:

- Tell me about your childhood growing up?
- What were your parents like?
- What movies or music did you enjoy growing up?
- What was school like for you?
- What career path did you take and why?
- Where did you meet grandpa/ grandma and what attracted you to him/her?
- What was your first date like?
- Tell us about how you experienced your pregnancy with your children.
- What was motherhood like?
- What was fatherhood like?
- Tell us about your grandchildren?
- Can you please give final advice and good-byes to everyone in specific.
