

-Fee Based Assurance-

17 BILLION Dollars!

That's how much the Department of Labor claims investors are overcharged; ANNUALLY! With Fee Based Assurance, you will no longer pay these hidden overcharges; GUARANTEED.

Exclusively through Fiduciary Integrity LLC

Featured in USA Today, Chicago Tribune, Associated Press, Investment News, Reuters, ...

The financial services industry, in an alleged attempt to minimize the liability posed by mutual fund Share Class, began selling what's called Fee Based/Wrap/Managed Accounts. Unfortunately, or rather fortunately for the financial services industry, these Fee Based type accounts have actually proven **significantly** more expensive than the typical mutual fund Share Classes. What does that mean for you? It means that if you own a Fee Based type account, then you may very well be in the **MOST** expensive account available. And thus, you are more likely than not giving away tens of thousands over the life of your investment; often significantly more. However, the good news is that we can calculate whether or not you were sold the correct account type, determine how much you were overcharged, and assist you with informing your advisor of your refund as mandated by the SEC. We charge a very reasonable fee of \$30 for our Fee Based Assurance. **With our innovative product, you don't need to understand the intricacies of Fee Based/Wrap/ or Managed accounts! All you need to do is simply ask your investment advisor to circle a box, initial a couple of pages, answer 5 simple questions and then sign. We Do The Rest!**

Simple 3 Step Process

1. The Fee Based Matrix

Simply have your investment advisor circle your corresponding box on the Fee Based Matrix that matches your investment time horizon. Then, complete the front of the document and sign. Next, proceed to the page number in the box to find your corresponding chart.

2. The Charts

Have your investment advisor sign the Charts page that corresponds to the number in The Fee Based Matrix box that was previously circled. Now, have your advisor complete the 5 Simple Questions.

3. The 5 Simple Questions

The 5 Simple Questions can be answered in less than 5 minutes. Once completed by your advisor, have him/her simply sign the document and **YOUR DONE!** Once completed, simply scan and return to Fiduciary Integrity. You are now **CERTIFIED** and **PROTECTED FROM LOSS.**

-The Guarantee-
Once certified, if you lose a penny as a result of being in the wrong share class or fee-based account, we will fully refund your loss; plus interest.
