Any chicken may be entered in this class and does not need to conform to APA/ABA standards; these can be new breeds or hybrids. Only healthy clean birds may be entered. This competition will be separate from the APA/ABA show, and birds will be evaluated on the merits of their aesthetics, condition, and feather quality. You do not need to be a member of the NNPFA to enter. Entry fee is \$5.00 per bird; limit is two birds per exhibitor. The clean up fee is only applicable if exhibitor is NOT also entered in the APA/ABA show. Ribbons will be awarded to the top picks for each cock, hen, cockerel and pullet.

	Large or Bantam	Description	C	H	K	P
1						
2						
C male bird over 1yr H female bird over 1yr K male bird under 1yr P female bird under 1yr						

Submitting an entry form confirms your agreement to follow the Code of Conduct in the show book.
