ENDING STUDY SEVEN-7	Galatians

Explanation of verse location and its six parts: one and two of the New Testament and three through six of the Old Testament.

A-While verse location appears simple, it is really a super-involvement.

B-Verse blanks are in order for each chapter. E-To any critics of the incomplete sentences, this is partly done not only for space, but especially to help the Super Student to dig deeper and examine the scriptures. So I challenge any new or experience student to this, and then say it was easy. BD

MBI Verse Location - Book 11, has six parts: MBI, BD
