9-This same Bible or God's word, declares all about God, including what Colossians 2:9 calls the Godhead or who we call the Trinity as revealed in (I John 5:7). Though the word Trinity, is not used in the Bible, the truth is there, and **the real word in the Bible is God-head-meaning the same(Colossians 2:9)**. Many words are used for God and to explain God. **Our God is beyond our comprehension**, as he who understands is greater than he who is understood. ***If we understood all about God, we would be God instead of God--like Lucifer tried to be before falling from heaven, & rejecting God so we rule instead of God. God says all forgetting God go to hell.** (Ps 9:17)-Not just rebels.

10-The same Word of God (Gen 1:1 and John 1:1,2,3) spoke all things into existence, especially through Christ, as the Bible repeatedly declares and especially in John one. He is the author of creation, and **all things were spoken into existence** by God, and sustained (maintained) by the Word (Colossians 1:17), so, truly as God's word says that the visible was made from the invisible (Colossians 1:16, 17) **and the eternal mind or God existed long before that which we call matter**. What we call matter is invisible atoms made of protons, neutrons, and electrons. It is active energy from God's spoken word. So, Christ could go through walls (John 20:19), as the Bible shows us, and we can breathe invisible air, have invisible feelings as love and hate. So, the visible and earthly things will pass away (2 Corinthians 4:18), but not the invisible, like the record of your and my lives, souls, thoughts, and intents.

11-As already stated here, **all things were created with age**. Thought or mind(God's) had to exist before what we call matter (See Romans 1:20), and nothing developed by evolution but since sin entered the world, all things have been cursed, **so it is degeneration and not evolution that changes things**. *Anything that is formed in the universe or on earth, **does not come from nothing**, but comes from something else, like liquid water is boiled away to become another form, but without creating something new or as a seed of corn produces a corn stalk, but all from ex-

isting materials. God is truly very **reasonable, scientific**, and has left us our Bible in **66 parts**, to help us to know what is true about life, here, and heaven. *Praise him!!!*

God can do miracles like multiply the bread and fishes immediately, **by by-passing the growth process** or he can do it slowly using the sun and earth. (Many factors)

Adam

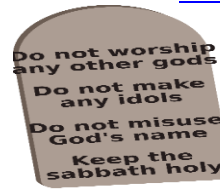

Did someone have to change Adams's clothes or was he created with age? (See Genesis 1:26) Who kept hatching eggs warm? (Gen 1:21) flying fowl!

12-Creation was about 4000 years before Christ.

13-B.C. 2000 - the earliest scriptures.

14-B.C. 1500-1400 - The **Ten Commandments** were given to **Moses**, even twice, at Mount Sinai and later stored in the **Ark of the Covenant**. (He busted-broke the first)

15-B.C. 1400-400 - The manuscripts comprising the original Hebrew Bible(39 O.T. books were completed.)

16-B.C. 300 - All the Old Testament Hebrew books had been written, collected, and recognized. **With carefulness** these were kept by the Jews until Christ.

17-250-200 - **The Septuagint**, the Greek translation of the Hebrew Bible (39 Old Testament books), were produced. All other books produced **were never considered God's word**, nor without errors-like Bible footnotes today are guesses **and** deny what is written.

18-And why has God done all as he has done? Could he not have written the Bible in many languages and

in the sky, so we could read or listen? **I cannot answer, but you ask God when you get to heaven**, but to get there to ask, you and I need to obey what God says, **even if not understanding**.

19-There is plenty of evidence to believe God's word, except the fools God calls fools, denying his existence. **There is plenty of evidence that backs up what he says in his Word**, and the witness of the Spirit to our **hearts that we are God's children!!!**
