(This is a Super-Learning Exam)

Super-Learning Exams are superior to traditional testing for
 several reasons: 1-They make examination a learning
 experience. 2-They have a hidden motivation within them.
 3-They invite and push information into the sub-conscious
 mind so not so easily forgotten and make recall easier, faster
 and more through. 4-They are the word of God tests and not
 from just some teachers opinion or theory. BD
