(5++)Note: I Corinthians 13: "Angelic Tongues" Angels speaking do not need to be interpreted to be understood. Their languages are always human languages with speaking to people. There is no record of them speaking in a non-human language in the Bible. The speaking of angels is easier to understand than humans, for God knows each thought of persons and God Himself instructs angels how and what to speak. He does not have angels to paraphrase as some try to do with changed and contradicting Bible translations.

In I Corinthians 13, God through Paul gives us a supposition, saying If I give my body to be burned or if I speak in tongues of angels. He is actually saying he did none of these.

The Purpose of the Mobil Bible Institute is:

1-To make every person and church a Bible School teaching the Bible, and not what people say about the Bible. You may download and use MBI.
2-We believe Christ sent the Holy Spirit on the Day of Pentecost, with Acts 1:8 power: "Ye shall receive power after that the Holy Ghost is come upon you, and ye shall be witnesses in Jerusalem, Judah, Samaria and all the world." With this power inside our lives for holy living and being manifested to those around us, consider Acts 2:16-18: "Spoken by the prophet Joel; And it shall come to pass in the last days, saith God, I will pour out of my Spirit upon all flesh: and your sons and your daughters shall prophesy (preach), and your young men shall see visions,(attempt great things) and your old men shall dream dreams:"(And possibly share their dreams to help young men advance the gospel) "And on my servants and on my handmaidens I will pour out in those days of my Spirit; and they shall prophesy (preach)."

3-M.B.I. is prepared to help train, so "your sons and daughters shall prophesy." Note God does not say preachers nor adults, and this is because most Bible Schools, Seminaries and some churches have bowed to unbelief and lethargy that does not produce "producing preachers" and use books that teach unbelief-many of them blinded cannot see. They have made the Bible a human speaking through Paul or Peter rather than God speaking through them and God preserving his Word for all generations. In many study Bibles, there are notes falsely stating scriptures that have been added, left out or changed. (Unbelief) 400 versions in English are changed and affected by Vaticanus and Sinaticus.
