5-MBI-BCC University's goal is to make possible for every person to be educated equivalent to, or above what traditional Bible schools and seminaries should be. This has greatly been destroyed by modern day government or government type accreditation which teaches little Bible & doubt about the Bible. And once government accreditation or its equivalent is obtained so as to receive financial aid for the would be Bible school, then education becomes the process of the Revelation 17 Woman riding the beast or the Beast riding the Woman, rather than God's holy church providing. Sorry but mixing of these two is equivalent to bribery to the church for votes (political corruption). No one can honestly and sincerely deny such. So this results in teaching unbelief and educational pretenders being what Jesus warns against, the scribes and pharisees-Be Ware!

©MBI-BCC University Super-Learn-Testing©

9-MBI Super Learning Tests and MBI courses are geared to teach the student the actual Bible, and not the often erroneous opinions of some would be teacher.

©MBI-BCC University Super-Learn-Testing©
