

Heartland

MYASTHENIA GRAVIS ASSOCIATION

MEETING DATES - THE SECOND SATURDAY OF THE MONTH
May 14, June 11, and July 9, 2022

The Heartland MGA group's scheduled time and place to meet is 10:00 AM, the second Saturday of each month at Calvary Lighthouse Church, **2941 N. 80th Street, Omaha NE 68134**. Calvary is located just north of Maple on 80th Street.

Our meetings take place in the upstairs conference room. Parking is up front (third driveway on the right from the corner of 80th and Maple) and enter where the sign says Education Center.

Saturday, April 9, 2022, the Heartland Myasthenia Gravis Association Support Group met for their normally scheduled meeting. There were nine in attendance. It was great to see so many familiar faces again.

We took time in our meeting to catch up on what had been happening in our fellow Myasthenics' lives. We discussed a few of the news articles published in the MGA News Digest and posted to our Heartland MGA Facebook page:

Cell-based Therapy to Improve Muscle Strength to Get Clinical Trial.
Yale Scientist Named MGNNet Scholar Will Study MG Immune Mechanisms
Efgartigimod as Injection Similar to Vyvgart in Treating gMG, Trial Finds

One particular article discussed was regarding the introduction of the brand new MyMG mobile App for both Apple and Android smartphones. The app has many new features to track symptoms, access to MGFA resources, including webinars, brochures, blogs, and research information and more. We've included information with this mailing on the new app and how it can be downloaded from the App Store or Google Play. We will have several new informational articles to share at Saturday's meeting from MGFA.

On Wednesday, June 1, 2022, there will be a virtual event, *MG Illuminate*, to kick off Myasthenia Gravis Awareness Month. You'll have the opportunity to choose from two viewings: 2:00 PM and 7:00 PM EST or 1:00 PM and 6:00 PM for us here in the Midwest.
