

DR. GINA MERRITT, MBA

PRINCIPAL OF NORTHERN REAL ESTATE URBAN VENTURES
FOUNDER OF PROJECT COMMUNITY CAPITAL®

DR. GINA MERRITT is a recognized expert in affordable housing and community development. Her leadership and scholarship in social capital and serving unemployed citizens has catapulted her platform. She is an award-winning business leader— her community development projects have won numerous awards for excellence and social impact. Her entrepreneurship and social impact work are helping communities access safe and affordable housing and employment opportunities.

Dr. Merritt grew up in the Bronx, New York in affordable housing. She helped raise 3 siblings and went off to Howard University where she earned her BBA. After working on wall street at Goldman Sachs and Morgan Stanley, Dr. Merritt earned her MBA from the *Darden School at the University of Virginia*.

Dr. Merritt formed her real estate practice 5 years after receiving her MBA. Having consulted on over \$2B in real estate projects and structured over \$5B in real estate transactions, Dr. Merritt continues to prove that black women have the technical expertise and deep experience that makes a meaningful impact for underserved communities in this country.

Dr. Gina Merritt is an experienced development and investment manager. She has been involved in over 7,500 units of housing in various stages of development; managing the entitlement process, structuring and securing the required financing, managing the design, and the overall construction process. Her practice has been engaged by some of the largest national developers and many high-profile institutions. Her specific expertise in financial structuring has elevated Dr. Merritt's profile in the affordable housing industry. She has underwritten over \$5B in real development estate transactions and performed underwriting service for several CDFI's.

After earning her doctorate from the University of Southern California, Dr. Merritt launched the redesigned *Project Community Capital® (PCC)* – a social capital platform. PCC is an innovative platform that serves as a bridge to social capital for people from underserved communities. PCC assists public agencies, private developers, and contractors in meeting their socio-economic goals by maximizing the most valuable asset we have—Community Capital. PCC also works with employers of every industry and helps to connect them to ready workers. Dr. Merritt's innovative work leverages technology and a collective impact framework to reduce

economic inequality in our most vulnerable neighborhoods.

Dr. Merritt is a mentor for *Innovation Works*, an innovation platform for social enterprise in Baltimore City, and works with *Youth Empowered Society (YES)* which services homeless youth in Baltimore City, Maryland. She gives back through her daily work activities, but is particularly focused on helping entrepreneurs build and grow their businesses, and also has supported multiple initiatives for houseless individuals.

Dr. Merritt's leadership in affordable housing has been recognized on numerous occasions over the last decade. Dr. Merritt's industry accolades include *Built by Women* – two site award winner for North Capitol Commons and The Nannie Helen at 4800. She also received a 2022 & 2023 Stevie Award for Social Changemaker of the Year—silver and gold medals respectively. Dr. Merritt continues to strive for equality in all communities, and aims to achieve equality through her innovative platforms.
