Your Kitchen Professionals

Mais Contracting is family- owned and operated, with a background in the cabinet industry since 2000.

We offer new kitchens and refacing for residential and commercial properties. We promote functionality and offer you options to reinvent your kitchen to meet your current needs. Our product line offers a range of colours and styles to suit everyone's colour palette.

In 2019, we began installing for one of Canada's large nationwide big-box stores. We have received many positive reviews and comments, and are regarded as a highly valued kitchen cabinet installer in the Alberta region. Our highest priority is to get the job done right the first time.

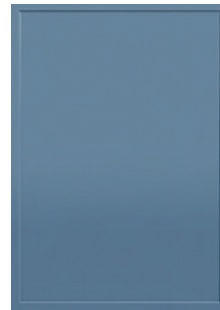

We operate a 2,000 sq ft. shop and showroom in the Foothills Industrial Park in Calgary, AB.

We employ highly skilled teams of installers who will help us transform your kitchen into the space you will love!

SERVICE AREAS

We currently service the following municipal areas: Calgary, Red Deer and Edmonton
