CO-FOUNDER + PROGRAM DIRECTOR

Andrea Brown

Andrea Brown is an experienced program and operations leader with a strong background in supportive living services, employee leadership, compliance, and client care. As co-founder/ Program Director at ICON Health Solutions, Andrea brings extensive experience overseeing daily operations, supervising and mentoring direct support staff, managing agency documentation and finances, and ensuring compliance with county, state, and federal requirements.

With more than 15 years of leadership and public service experience, including a distinguished career with the United States Postal Service, Andrea has managed teams of up to 125 employees, developed and administered operating budgets, implemented safety and compliance procedures, and strengthened workplace performance. Her experience also includes crisis intervention, individualized service planning, community engagement, and supporting individuals in developing greater independence and quality of life.

Andrea is committed to creating safe, supportive environments where clients and staff can thrive. Her leadership is grounded in accountability, compassion, teamwork, and a dedication to quality service.
