CO-FOUNDER + PROGRAM DIRECTOR

Deionna L. Gipson, MBA, MPA

Deionna L. Gipson is a business, nonprofit, and program management professional with extensive experience in project management, organizational development, community engagement, and supportive services. At ICON Health Solutions, as co-founder/ Program Director, Deionna applies her diverse background to help strengthen operations, streamline processes, support compliance, and promote quality services for individuals and their families.

Deionna holds a Master of Business Administration with an emphasis in Accounting and Marketing, a Master of Public Administration with an emphasis in Grant Writing and Nonprofit Management, and a Bachelor of Arts in Communication Studies. She is also a Certified Administrator through the Department of Social Services and CPR/AED certified.

Her professional experience includes working with the U.S. Census Bureau, UCLA, nonprofit organizations, and her own businesses, where she has managed projects, developed partnerships, improved organizational processes, coordinated teams, and provided consulting services. She also brings direct experience in foster care case management and supportive services, including assessing client needs, developing case plans, and collaborating with community partners.

Deionna is passionate about building effective systems and meaningful community partnerships that help organizations deliver impactful, client-centered services.
