

Led by the Light

JERUSAHA & DOMINIC D'CRUZ

LED BY THE LIGHT is an album of traditional Christmas carols; an essay with global musical flavours. The arrangements encompass energetic rhythms, a splash of festive chants, percussion, et al, bringing on new shades and hues in the embellishments.

The *bansuri* and smooth strings weave into the familiar strains of 'Silent Night', *sargams* decorate the tranquil flow of 'Away in a Manger', spirited percussion finds company in 'God rest ye Merry Gentlemen' and more. Tradition remains tradition, while it absorbs and integrates the subtleties of the lands it traverses... as the Magi followed the star, as the shepherds heard the angels, as the radiant beams shone from the manger, as that cold, wintry night brings Light to the world, year after year. This Hallowed Season heralds that same Peace, Love and Joy, as the world rises once again... world without end!

This record features renowned musicians who have performed and recorded with some of the finest artists in India and around the world. We have had the privilege to share stage with them and are honoured and grateful to each one of them for their impeccable, magic touch on 'Led by the Light'.
