## Core Capabilities

Aegis Executive Transport specializes in **secure transportation, protective services, risk management, intelligence support, and professional training** for U.S. Government agencies, defense contractors, corporations, and high-net-worth individuals. Our highly trained professionals provide **strategic security solutions** in high-risk and operationally sensitive environments.

### Secure Transportation & Executive Protection

- **Executive & Secure VIP Transport** – Discreet, high-security transport for government officials, executives, and VIPs.
- **Armored & Specialty Vehicle Operations** – Availability of armored vehicles and trained drivers for high-risk transport.
- **Emergency Response & Evacuation Services** – Rapid deployment services for personnel requiring emergency relocation.
- **Sensitive & High-Value Cargo Transport** – Secure movement of classified materials, sensitive equipment, and high-value assets.

### Security Consulting & Risk Management

- **Protective Intelligence & Threat Analysis** – Advanced security assessments and counter-surveillance strategies.
- **Corporate & Diplomatic Security Solutions** – Comprehensive security planning for embassies, corporate offices, and critical infrastructure.
- **Surveillance Detection & Counter-Surveillance** – Intelligence-driven operations to mitigate threats.
- **Operational Risk Management (ORM) & Vulnerability Assessments** – Tailored security solutions for government and private sector clients.

### Intelligence Support & Investigation Services

- **HUMINT & Counterintelligence Support** – Expertise in intelligence collection, analysis, and security operations.
- **Investigative & Security Compliance Services** – Background checks, due diligence, and threat assessments for organizations.
- **National Security & Defense Consulting** – Policy development and strategic risk analysis for federal agencies and defense contractors.

### Professional Training & Development

- **Executive Protection & Defensive Driving Training** – Advanced security driver training for high-risk operations.
- **Security & Risk Management Training** – Tailored training programs for corporate and government security teams.
- **Intelligence & Surveillance Training** – Specialized courses on intelligence collection and protective operations.

## Differentiators

- **Leadership & Expertise:** Led by a retired U.S. Army Chief Warrant Officer 5 with extensive experience in security, HUMINT, and operational risk management.
- **DoD & Intelligence Community Experience:** Proven ability to operate within DoD, SOCOM, and interagency environments, ensuring compliance with **national security protocols**.
- **Service-Disabled Veteran-Owned Business (SDVOSB):** Offers contracting advantages to federal agencies seeking to meet SDVOSB procurement goals.
- **Secure Communication & Tracking:** Use of **encrypted communication, GPS tracking, and surveillance detection** to ensure operational integrity.
- **Multi-Disciplinary Expertise:** Experience in **executive protection, security consulting, operational risk management, and intelligence support**.

## Past Performance

- **U.S. Government Contracting Experience** – Supporting security and transportation needs for federal agencies and defense contractors.
- **Corporate & Private Security Clients** – Providing discreet executive protection and high-value transport services for VIPs and Fortune 500 executives.
- **High-Value Asset Transport** – Secure transport of sensitive materials for government and commercial clients.

## Compliance & Certifications

- US Department of Transportation Number: 4351726
- US Department of Transportation Authority to Operate: MC1701649
- Certified Protection Professional (CPP) – ASIS International
- Personal Protection Specialist (PPS) – VA DCJS
- Certified Executive Protection Agent (CEPA)
