Leslie Olsen Fix-a-Test Mini Clinic
September 6th at Willow Dell Equestrian Center
Senoia, GA. 30276
Registration Form

Format: The rider will ride the first test, then discuss with Leslie. If there are several people riding the same test, after all riders have ridden the first test, they will then ride the second test in order. This gives the rider time to go over the advice given. If there is only one person riding a particular test, we will schedule the second test so there is still time to prepare.
