

CERTIFIED ECO BUILDING HYGIENIST™ training and certification program is the first of its kind in the U.S. for the cleaning industry!

NOVEMBER 4-8, 2024

Presented By:  **The Mercain Group**
Building Health and Environmental Hygiene

Students are trained to clean surfaces and spaces effectively, professionally, and sustainably, enhancing both indoor and outdoor environments. With certification, workers can help achieve and maintain LEED, Green Seal, and CIMS GB standards, meeting the increasing demand for healthy, clean, green, and safe environments.

Students are provided with:

- A complete textbook of all class material
- The ability to assist employers with achieving GS 42 certification
- Continental Breakfast
- Lunch

Graduates receive:

- A certificate, suitable for framing
- A photo ID with an assigned CEBH certification number
- A CEBH logo pin

Class sizes are limited to 10 participants, discounts are available for multiple participants. call: 301-728-3908 or email: marion@mercaingroup.com
