

2023 LODGING POLICY

D1 Prospects and Partners (D1) host many events throughout the year. Some of those events are STAY TO PLAY EVENTS that require teams to meet certain requirements to be eligible to participate in the event(s). D1 works with a variety of lodging partners to secure team friendly properties with competitive rates available to all our customers for all of our events.

STAY TO PLAY REQUIREMENTS:

To be scheduled to participate in this event your team must fit into one of the following categories.

1. Teams are REQUIRED to book through Lucid Travels convenient online platform (must be booked by the registration deadline). This will simplify and automate booking rooms (each team has a minimum booking requirement of 10 total room nights per team ie. 5 rooms for 2 nights)
2. Teams within 100 miles will be exempt. Our online Lodging Partner (lucid) uses zip codes to automatically mark teams local. You will still get a lodging email with a link so that you can access our great rates.
3. Out-of-town teams that wish to stay outside of our Lodging Options, such as campgrounds, rv parks, Airbnb, VRBO, etc. can choose to pay a Lodging Surcharge of \$300. This will be billed to your team separately from your entry fee and will be due prior to your team being scheduled for the event.

Once your team has registered for the event you can start booking with this link <https://lucidtravel.us/d1-prospects> , from LUCID TRAVEL. This link will give you, your families and spectators 24/7 access to book with our partner hotels as well as track them for reporting purposes. It is important to quickly share the link so that your team and families can get the best rates on available rooms. You can view availability and rates at any time via our WEBSITE WWW.D1-PROSPECTS.ORG under EVENT LODGING.

LODGING made easy! If you choose to all stay at the same hotel you, your team manager, or a parent can easily HOLD a block of rooms for 10 days where each family can book into. Individual families can also choose to stay at a different hotel on this list that best meets their needs, and their room nights will automatically be counted under your team.

*** Any 3rd party reservations (i.e directly with hotel, hotels.com, expedia, hotwire etc.) or using reward points or booking outside of the D1 room blocks will not fulfill your requirement and require lodging surcharge to be paid or your team WILL NOT be scheduled in the event.

If you have any questions please contact: register@d1-prospects.org
