## REPUBLICAN CLUB

Dear Friends & Neighbors -

Happy Fourth of July!

We write to you today to announce a new political voice for Mountain Lakes, and the launch of **Laker Republican Club**.

We learned in last fall's Borough elections that residents really connected with a political message that put Mountain Lakes first with a focus on:

- Transparent and accountable local government;
- Fiscal responsibility with taxpayer dollars;
- Environmental stewardship; and
- The value of Mountain Lakes today and tomorrow.

And over and over, we heard how fatigued voters were with the national political scene across the spectrum. Residents told us how refreshing it was to hear a message focused on local issues, and that **A Voice for Mountain Lakes** should not be on a 4-year cycle. It should be ongoing.

So we thought about it ... and asked:

Can we start a community political group that focuses on Mountain Lakes first?

Is there a role for a group whose mission is to ensure accountable local government, fiscal responsibility, and preservation of the community character we all cherish in Mountain Lakes?

And finally... can we create a forum that enables residents to convene and engage in a friendly environment that is focused on promoting a sensible long-term vision for our Borough?

The answer is yes.

The answer is **Laker Republican Club**. A Voice for Mountain Lakes.

We invite you to check out our **website** to learn more about our mission, the Mountain Lakes First platform we support, and our volunteers.
