What is Fast Cat??

Fast CAT is open to all dogs at least 12 months of age that are individually registered with the AKC, recorded in the Foundation Stock Service (FSS) program, dogs granted a Purebred Alternative Listing (PAL) number, dogs with AKC Limited or Conditional Registration, or dogs enrolled in the AKC Canine Partners program. If you do not have a Canine Partner number, an application can be completed at the event. Dogs with breed disqualifications and monorchid/cryptorchid dogs are eligible to participate. Females in season may not enter. A dog may enter only once per event. An event is defined by an event number.

Coursing is an athletic activity that can tax a dog's physical strength. Dogs that are overweight and/or out of condition may be at greater risk for injury and exhaustion. The Inspection Committee has the authority to disallow a dog's entry into a test, and in such instances, applicable entry fees will be refunded. The Fast CAT is a timed straight race of 100 yards where a dog chases a lure. Dogs run singularly and earn points based on their handicapped speed. There are no placements. Titles are issued at designated benchmarks. The dog's time to complete the 100-yard dash is converted into MPH. Dogs earn points based on their

handicapped speed. A handicap system is applied to a dog's MPH to determine the number of points earned. The handicap system is based on the height of the dog at its withers.

18" or greater = handicap is 1.0, 12" up to less than 18" = handicap is 1.5, Below 12" = handicap is 2.0 Points = MPH multiplied by the dog's handicap.

Titles are earned by accumulating points. The following titles will be awarded:

BCAT=150 points **DCAT**=500 points **FCAT**=1,000 points **FCAT2**, etc. = every additional 500 points.

Each dog that passes the test will receive a ribbon that is light blue in color.

Top 20 by Breed by Year: The AKC Fast CAT website will feature the Top 20 Fastest Dogs by Breed by Year national standings. The standings will be updated as event results are processed.

RUNNING THE COURSE

Each dog runs by itself and only one time in each testing event. They chase lures made of plastic strips in a straight race of 100 yards. Dogs may start a MAXIMUM of 10 feet behind the start line.

CONDITIONS FOR ENTRY

- Each dog requires an individual entry form for each event in which it is entered. • Entries will not be accepted without fees, signatures, or the "Agreement" found on the Official AKC Entry Form
- Each dog entry will be inspected for lameness, fitness to compete and females in season. If, in the opinion of the inspection committee, any entry found to be lame, unfit to safely compete or a female in season, that dog shall not be allowed to enter and entry fees shall be refunded
- Mixed breeds must be spayed or neutered to be eligible to run. If you do not have a Canine Partner number, an application can be completed at the event. AKC registered dogs with breed disqualifications may be entered.
- For members of the Test Committee only, dogs may be accepted for roll call prior to the published time. Early acceptance of dogs for members of the Test Committee may begin one half hour prior to published test hours
- A Break Beam electric timing system will be used at the start and the finish. The lure will consist of plastic bags. A gas or battery powered lure machine running continuous loop will be used, which means a continuous line passes through the course and the catch pen and then

loops back to the start line on the outside of the fenced area. Everyone should stay back at least 20' from the course and the lure line to avoid interfering with the lure line and from distracting the participants. Only the Lure Operator, Huntmaster, and Handlers of the hounds running in the course in progress will be permitted near the lure machine.

- The Huntmaster is responsible for field safety and therefore he is in complete charge of all dogs and handlers on the field. In service to this responsibility, he has the authority to stop the lure in any potentially dangerous situation and signal the handler to retrieve a testing dog. The handler should retrieve their dog promptly at the end of the course. Listen to the Huntmaster and follow their instructions promptly and swiftly.
 - A dog that relieves itself on the course will fail the test.
 - A person found to not pick up after their dog will be assessed a \$5.00 fine.
 - Children must be under control of their parent(s) or guardian(s) at all times.
- Persons exhibiting conduct detrimental to the AKC/any dog(s)/other person(s) will be asked to leave the test site and may be disciplined by the AKC. All AKC rules regarding sportsmanship and conduct apply.
- A \$5.00 fine may be assessed on the owner or handler of any dog loose on the field but not competing in the course in progress. Dogs that delay the event because they cannot be recalled may be refused entry at future events
 - There will be a minimum \$30.00 returned check charge.
- Exhibitors should follow their veterinarian's recommendation to assure their dogs are free of parasites, any communicable diseases and have appropriate vaccinations.
- No entry fees will be refunded if the event cannot be started or completed by reason of riots, civil disturbances, fire, extreme and/or dangerous weather conditions, an act of God, public emergency, act of a public enemy, strikes or any other cause beyond the control of the Club or its members and representatives.
 - The event-hosting club, its agents, members, representatives, and volunteers assume no liability or responsibility for any loss, damage or injury sustained by exhibitors, handlers, or to any of their dogs or property and further assumes no responsibility for injury to children or spectators before, during, or after this event.
- The members of the Doberman Pinscher Club, Columbus, Ohio, reserve the right to alter the course plan as required by weather and/or field conditions on the day of the test.

TIPS FOR HANDLERS

- The entire grounds are not fenced. The entire FAST CAT course is fenced. For the safety of the dog and as a courtesy to other exhibitors, it is strongly recommended that prior to running your dog, you have good “recall” control over your dog, as the dogs will be off leash.
- Dogs will be brought to the start line on leash and released only upon a verbal signal (“Tally-Ho!”) from the Huntmaster. Dogs may be released by hand, folded leash or using a traditional lure coursing slip lead.
- ABSOLUTELY NO toys or treats may be used to encourage your dog before it crosses the finish line but can be used after the dog has crossed the finished line to assist in catching the dog.

No

whistles or other noise devices, such as duck calls, may be used. Cheering, clapping, calling your dog’s name, whistling and/or waving arms from the end of the course or the start is allowed. Should a situation arise where the application of this Regulation is open for interpretation, the event committee shall decide how it will be handled and an explanation shall be submitted to AKC along with the event results.

- Handlers are NOT permitted to run down the 100-yard course with the dog during its official run. This includes BOTH inside and outside the fence. Handlers must simply release the dog.
- As per the regulations, a 30 to 50-yard catch pen will be located at the end of the 100-yard run and will be fully fenced.
 - Handlers should wear comfortable shoes and be physically able to hold and release their dogs. Handler MUST have someone familiar with the dog at the end of the course to retrieve the dog or have someone else release his or her dog at the start line. The handler is expected to promptly secure the dog and leave the field with the dog on leash. **Two leashes are needed!**
- Lure coursing is a physically demanding sport so please make sure your dog is in good shape. If you are not sure, make an appointment with a veterinarian to get an opinion.
 - Handlers are advised to warm up their dogs prior to their run and walk them for about 10 minutes afterwards. Handlers should bring water and shade for their dogs. This is a rain-or shine outdoor event, please plan accordingly. Dogs must be on lead or crated unless running. You are responsible for controlling your dog(s).

HOW TO ENTER

Complete an official AKC entry form for each dog for each test, and turn your entries in at the Event Secretary's desk on the field, along with the entry fees before the close of entries for that test.

Entry forms are located at the end of this premium list. Each dog may only enter once per test. Entering early is advised, as each day is limited to 150 entries. Make checks payable to "The Gated Dock".

Any dog can be registered with the AKC. If your dog needs to be registered, you can do so online at <http://www.akc.org/canine-partners> or by completing the Canine Partner Enrollment Application that is located at the end of this premium list. If the latter, submit the enrollment application, along with the enrollment fees, at the time of entry to the Event Secretary. Note that Canine Partners and PAL dogs must be spayed or neutered.

You may also early enter by mailing all of the forms and fees to the Event Secretary, so that it is received by the closing date and time for early entries.

Pre-entering will guarantee that your dog is entered. You MUST run during the time assigned to you. If your dog becomes lame, sick, or in season prior to the test, do not bring them to the test. Instead, contact the Event Secretary to cancel your entry, and your entry fee will be destroyed or otherwise refunded.

Entries will not be accepted without fees, signatures, or the "Agreement" found on the Official AKC Entry Form.

Follow your veterinarian's recommendations to assure that your dogs are free of parasites, any communicable diseases and have appropriate vaccinations.

No entry fees will be refunded if the event cannot be started or completed by reason of riots, civil disturbances, fire, extreme and/or dangerous weather conditions, an act of God, public emergency, act of a public enemy, strikes or any other cause beyond the control of the Club or its members and representatives. The Event Secretary must have the completed entry form and payment before a dog may be presented for inspection.

ROLL CALL & INSPECTION

All dogs must be presented for inspection without tape, bandages, wrapping, or coverings of any kind (e.g., coats and blankets), and may be measured with a wicket to determine height at the withers.

Owners may use clips or rubber bands to hold the dog's hair. The owner assumes responsibility for the safety of the dog with regard to the dog's collar and paraphernalia on the dog.

At least two persons from the Test Committee will inspect each entered dog for lameness, fitness to compete, and female estrus (in season). In their opinion, any entered dog that is found to be lame, unfit to compete, or in season will not be allowed to run.

Coursing is an athletic activity that can tax a dog's physical strength. Dogs that are old, have breathing or heart problems, are overweight, or are out of condition may be at greater risk for injury and exhaustion.

The entry fee will be refunded for any dog that is not allowed to run by the inspectors.

Roll call and inspection will run continuously for the period of time listed.

Bring your dog at any time during that period. Any dog that fails to present for inspection prior to the close of roll call and inspection will be marked absent. No refund will be given for an absent dog.

Paddock

It is the intention of the test committee to begin running courses as soon as roll call and inspection begin.

When you are ready to run your dog, bring them to the paddock, the assembly area for dogs that have passed inspection and are prepared to run.

Dogs may run wearing a close fitting buckle collar. Choke collars and collars with dangling decoration will not be allowed. Hanging collar tags may be permitted if they are secured tight to the collar, such as by tape. Slip leads can be used if the owner desires. No harnesses, clothes, or other types of collars are allowed.

The Paddock Master determines the order in which dogs run.

After passing inspection, you must check in with the Paddock Master to ensure that your dog has been placed in the running order. If you must leave the area to pursue another activity, please inform the Paddock Master and then be sure to check in with the Paddock Master again when you return. If a dog is not present when it is called to run its test, the dog's name will be moved to the end of the running order. After roll call and inspection closes, any entered dog that has not yet tested and is not present within 5 minutes of completion of the last course will be marked absent and no refund will be given.
